TOP SECRET

19 July 1982

Weekly Report

Intelligence Community Staff

- COMIREX is being tasked and is providing imagery to the DEA for use in combatting drug trafficking between Latin America and the U.S.
- Congressmen Boland and Robinson, HPSCI, will be briefed on imagery satellite programs on 29 July.

Directorate for Administration

- The second running of the Operations Course in 1982, [redacted] on 9 July. [redacted]

25X1
25X1

Directorate for Operations - See tab.

Deputy Director for Science and Technology

[redacted]

25X1

- Available from NPIC is a special report entitled "Nicaragua Since the Revolution: An Imagery Analysis of the Military Buildup Since 1979." These special reports are prepared on an ad hoc basis.

[redacted]

25X1

- FBIS has translated a Soviet paper providing the first information on production of emitter-coupled logic bit slice microprocessors and gate arrays. The document says the Soviets have obtained a microchip density of 300,000 elements which puts them on a level comparable to current Western standards.

[redacted]

25X1

Deputy Director for Intelligence

- OGI provided a typescript containing data on the manner in which grain cargoes were shared by U.S. and Soviet vessels under the U.S.-Soviet maritime agreement of 1975 for the DCI's briefing book on renewal of the U.S. Soviet grain agreement.

TOP SECRET

TOP SECRET

- OSWR, at DCI request, drafted a Memorandum of Understanding enabling the CIA to gain access to information collected by the Department of Commerce. After review and comment by OGC, it will be submitted to the DCI.
- ACIS joined with the NIC to brief PFIAB twice this week on the manner and nature of intelligence support on arms control, including what we know, how we know it, and how we pass intelligence on to the policymakers.
- ALA analysts participated in a meeting with Ambassador Vernon Walters, who is scheduled to visit Angola next week in connection with the Namibian negotiations.
- OSWR briefed the PFIAB on recent Soviet high yield nuclear tests.

25X1

National Intelligence Council

- NIO/EA testified on Taiwan's military needs before the House Foreign Affairs Subcommittee on Asian and Pacific Affairs. He also briefed a delegation of Senate staffers en route to Beijing.
- C/NIC and VC/NIC discussed [] the progress and future expansion of NIO contacts []
- NIO/GPF briefed Gen. Stilwell (DVSD/Policy) on 15 July on the GPF estimates program. Gen. Stilwell showed particular interest in military estimates on the Far East. On 16 July a similar briefing was given to Gen. Richardson (Army DCOS/Operations).
- A/NIO/Africa attended an interagency meeting at State to discuss a U.S. response to Somali President Siad's request for military assistance to cope with Ethiopian military actions against Somalia.
- NIO/NESA participated in an interagency meeting at State to examine future U.S. policy options on the Palestinian question and the autonomy talks.

Personnel - No report.

General Counsel

25X1

- DDI and OGC employees briefed Representatives Zablocki, Bingham and Lagomarsino on IAEA safeguards in lieu of providing them with DO intelligence reports. Zablocki was satisfied with the briefing. Bingham and Ottinger are expected to renew their request for DO documents.

Inspector General

- The PIOB has suggested several minor changes and additions to an Agency document

TOP SECRET

TOP SECRET

relevant to employee conduct. The document was already in the process of being revised along the lines suggested.

Comptroller

25X1

- See tab for status of counterterrorism Reserve Release at OMB, HPSCI, and HAC. HPSCI and HAC also have questioned release because of related initiatives by ISA and JSOC.
- HPSCI and HAC advise that the \$7 million overseas pay differential reprogramming will be deferred until they have an opportunity to review the final study report and consider the request further.

Office of External Affairs

25X1

- [] NIO/LA, and [] NIC, will be attending lectures on the "Future of the Inter-American System, Post-Falklands" sponsored by the Center for Strategic and International Studies.

25X1
